

HE BROKE A RECORD

Cleveland S. Paces a Quarter on the Comstock Track

IN THIRTY SECONDS FLAT

This is the Fastest Quarter Ever Made on the Track—Kaiser to be Inducted for Paces Hacer.

Cleveland S. has broken the Comstock track record for a quarter of a mile. He stepped a quarter mile in the remarkably fast time of 30 seconds and finished strong. Amos Rathbun pulled him in at the end of the quarter and he finished the half at an easy gait in 1:07. Cleveland S. has a record of 2:13. He is by Montgomery; dam Topsy by Tippecanoe. He has been in training only since July 1 and is showing up remarkably well. If he keeps his form, he will be good for 2:00 at least before the end of the present trotting season.

Johnson met Doty a full mile yesterday in 2:13. Doty has already paced a half in 1:04. He is showing up better every day. He is entered here in the 2:20 pace and will keep some of the fast ones guessing to outstep him. L. C. K., a 2-year-old by Alcyon, paced a half yesterday in 1:18. L. C. K. belongs to Julius Hault of Traverse City, and is naturally a pacer; but until three weeks ago has always been worked as a trotter. V. E. Boland is handling the horse, and a short time ago persuaded Mr. Boland to allow the colt to return to his natural gait. He did so, and it is possible that L. C. K. will be among the 1923 sidewheelers who can step a mile in 2:15 anyway.

C. F. Wright of Greenville has sent seven horses to Comstock track. Assistant Secretary R. E. Martin of the Driving club will go to Saginaw to look to select entries for the pace races at the August meeting. The particular classes which he wishes to fill are the 1:24 pace, the 2:27 trot, the 3:00 trot, the 3:00 pace and the 2:43 pace.

BAD DAY FOR TALENT.

Long Shots Capture Everything in the Chicago Races.

Chicago, July 11.—Morello, who last Saturday was beaten by a common selling plaster, came out today, and with 127 pounds on his back, won the Drexel stakes in a gallop, defeating such good ones as Charming, The Pride of the West and Buck McCann. Morello was the fastest choice for the race, but on his previous performance one could not very safely bet on him, and he went to the post with very little backing at 4 to 5. Charming, however, was heavily played, and her price was cut from 4 to 1 to 3 to 1.

The field was despatched at the first trial. They raced close together around the first turn, but when the quarter pole was reached Charming had again a lead of three lengths, but her life was short, as Miller soon hurried the favorite along, and passing the half mile mark the pair were on equal terms, two lengths in front of Tyro, the same distance before Buck McCann. At the three-quarters Morello drew clear and the result was never in doubt, he passing the wire the fastest kind of a winner by five open lengths. Tyro lost Buck McCann a short head for the place.

The talent got very much the worst of the day's speculation, two heavily played favorites being beaten. The first was Ed Corrigan's Ryley, he being defeated by Prince Darius. Then in the closing event Racine was heavily played at 2 to 1, but the best he could do was fourth, Ethel Gray, a 10 to 1 chance, winning in a gallop.

First race, maiden 2-year-olds, four and a half furlongs—Viente fly, 106 (Morris), 3 to 1, won; Hampton, 106 (Thompson), 20 to 1, second; Wedding Gift, 105 (Hallard), 50 to 1, third; time, 55.4. Broadhead, Charlie T. Orinda, May Fern, Banker's Daughter, Janthe, Jeanie Lee, Prince Leon, Salvador and Florence P., finished as named.

Second, six furlongs—Oregon Eclipse, 114 (Tark), 2 to 1, won; First Ward, 103 (Givings), 10 to 1, second; Prince Darius, 113 (Haggen), 10 to 1, third; time, 1:21.4. Isola O., Bolivar Buckner, Little Cleo, Esperanza, Warren Leland and Fascination finished as named.

Third, the Drexel stakes, one mile—Morello, 127 (Miller), 4 to 5, won; Tyro, 115 (Tark), 16 to 1, second; Buck McCann, 127 (R. Williams), 15 to 1, third; time, 1:41.4. Charming also ran.

Fourth, selling mile and an eighth—Comet, 94 (H. Griffin), 12 to 1, won; Payson D., 100 (Morris), 6 to 1, second; Philora, 103 (Thompson), 4 to 1, third; time, 1:54. Calhoun, W. B. Hasty, Content, Dolly McCone, Annie Brown and Tom Finn finished as named.

Fifth, mile and seventy yards—Prince of Darkness, 107 (Clayton), 3 to 1, won; Ryley, 121, 4 to 1, second; Strathmore, 124 (Haggen), 11 to 1, third; time, 1:45.4. Tasso, Henry Young, Gunwald, Goldstone, Woodcraft and Rio Grande also ran.

Sixth, for maiden 2-year-olds, four and one-half furlongs—Pirate King, 105 (H. Williams), 3 to 1, won; Pirate King, 112 (Tark), 3 to 1, second; Gordina, 108 (Hennings), 12 to 1, third; time, 56. Cash Day, Sam Luis, Ray, Delmar, Northside, Brakenham, Natwood, Leon M., Atwater, Little Walter and Scholastic finished as named.

Seventh, six furlongs—Ethel Gray, 110 (R. Williams), 10 to 1, won; Tim Murphy, 119 (Tark), 6 to 1, second; Will Pomeroy, 84 (A. Clayton), 6 to 1, third; time, 1:14.4. Racine and Joe Cotton finished as named.

RACE OF THE CRACKS.

Tormentors Torment the Talent at Moonmouth.

New York, July 11.—The weather, track, program and attendance at Moonmouth park track were all excellent today. In the race for the Leontide stakes the crack 3-year-olds of the year were pitted against one another. In addition to this, there were five other interesting events, the first, a six furlong dash. Kingston and Idleleigh were about the only ones played. A few had the nerve to play Tormentors, who consequently went up to 15 to 1. When he won his week known admirers kicked themselves all over the ring. The second event was another factor for the talent. Of the poor lot entered the Comstock colt was the favorite. The race was won by Bold Red with comparative ease. Pirate Chief captured the place.

The Leontide stakes was a surprise and disappointment to many. St. Leonard, the sure thing, was beaten by the game little colt, Sir Walter, Ranapop, an outsider, getting the place.

The fourth race, for the Central stakes, was an easy victory for Jack of Spades, who set a pace to suit himself

throughout. Discount beat Amigos for the place.

Liftoff made the running to the stretch in the fifth, when Tormentors went to the front and won by a head. The last race went to Lapsun, the even money favorite, Egan II. getting the place.

WHEELMEN'S CLAIMING DAY.

Some Good Hacer and a Broken Record.

Darwin, Mich., July 11.—The second and last day of the Detroit Wheelmen's meeting witnessed better sport than was afforded yesterday. The time was somewhat faster and the finishes close.

In the mile handicap open, J. P. Bliss of Chicago broke the Michigan record, which was 2:24, making the distance in 2:17. The summaries:

Half mile handicap, open—W. A. Lark, Detroit, forty yards; won; L. Crook, Buffalo, twenty yards; second; P. J. Hensell, Detroit, fifty-five yards; third; time, 1:08.

Two miles, 5:10 class—Guy L. Gary, Chelsea, Mass., won; E. H. Duffy, Everett, Mass., second; A. L. Crook, Buffalo, third; time, 2:17.

Quarter mile, flying start—A. L. Crook, Buffalo, won; G. A. Barker, Pittsburg, second; C. M. Murphy, New York, third; time, 30.35.

Mile, club handicap—Walter Steuber (scratch), won; John Shaffer (thirty yards), second; W. H. Huriburt (scratch), third; time, 2:24.35.

Half mile, 1:12 class—E. A. Duffy, Everett, Mass., won; G. L. Gary, Chelsea, Mass., second; A. L. Crook, Buffalo, third; time, 1:20.

One mile, open—John S. Johnson, Syracuse, won; J. P. Bliss, Chicago, second; A. V. French, Cleveland, third; time, 2:23.

Three mile lap race—E. A. McDuffie, Everett, Mass., won; G. L. Gary, Chelsea, Mass., second; and James Clark of Dorchester tied for second; time, 2:34, 5:28, 8:22.

TO BATTLE IN JUNE.

Corbett and Jackson Signed Articles in the Chicago Press Club.

Chicago, July 11.—James J. Corbett and Peter Jackson will fight to a finish next summer. The match was definitely arranged tonight as an outcome of the wrangle in the arena of the Columbian Athletic club Monday night between Corbett and Parson Davies. At 11 o'clock tonight the parties interested met in the rooms of the Press club. There was a heap of argument over the date, Davies attempting to urge Corbett to meet Jackson before his battle with Mitchell. Finally articles of agreement were agreed for a fight to take place between June 20 and 30, 1924, before the club north of Mason and Dixon's line offering the best purse, for \$10,000 a side and the championship of the world, providing Corbett defeats Mitchell. If the latter wins the championship will not be involved. Corbett and Davies each deposited \$1,000 as a forfeit and the match became a fixture.

George Lavigne Arrested.

Chicago, July 11.—George Lavigne, the light-weight fighter of Bay City, for whom Sheriff Taylor of La Salle county, Illinois, has been looking for the past three weeks, was arrested in this city today. Lavigne and Eddie Myer, another light-weight, engaged in a finish fight near Streator, Ill., about three months ago. All those who had anything to do in connection with the fight were indicted by the grand jury of La Salle county, but Lavigne made his escape. Lavigne attended the Griffin-Smith fight at Roby last night and afterwards came to Chicago.

Stopped by the Police.

Jackson, Mich., July 11.—The fifteen round glove contest here tonight between Leontide and "Marine" was heavily played at 2 to 1, but the best he could do was fourth, Ethel Gray, a 10 to 1 chance, winning in a gallop.

First race, maiden 2-year-olds, four and a half furlongs—Viente fly, 106 (Morris), 3 to 1, won; Hampton, 106 (Thompson), 20 to 1, second; Wedding Gift, 105 (Hallard), 50 to 1, third; time, 55.4. REED FOR SPEAKER.

He Will Be Made the Leader of the Minority.

WASHINGTON, July 11.—There seems to be no doubt that ex-Speaker Reed will be the caucus nominee of the republican representatives for speaker of the house. The suggestion of Jerry Simpson, that Representative Burrows of Michigan might be made the candidate of a fusion element including republicans, populists and free coinage democrats, has been repudiated by Mr. Burrows, and the general scheme itself no commendation among the republicans.

There is not a republican representative now in Washington who does not express the belief that Mr. Reed will receive the nomination unanimously and thus again be clothed with the powers of leadership of the majority of the house. His pre-eminent qualities as a leader were shown in the last session. At present it looks as if each of the three political parties represented in the house would make caucus nominations for speaker, and that each nominee will secure practically the unanimous vote of his party.

For that "out-of-sorts" feeling take Bruno Seitzer. Trial bottle 10 cents.

IT COSTS YOU NOTHING

CONSULTATION AND EXAMINATION FREE AT THE COPELAND MEDICAL INSTITUTE.

Take advantage of this generous offer by Drs. Copeland and Graham. Consult them about your case and put yourself under treatment now while nature is warm, loving and generous. Nature does much for us, but she does not do it all. It is not wise to assume that when the beautiful season works an improvement in the system, complete health will be the result. Rather think that this is an offer from nature to help of which you should at once take advantage.

In such cases as Catarrh and its kindred ailments it is especially advisable that the sufferer be not deceived by the bland influence of the summer season, and that he recognize the necessity of securing that medical aid which is needed for perfect cooperation with nature.

Now is the time to take treatment for diseases of a Catarrhal nature. The climatic conditions are most favorable. In fact this is the best time, as the liability to taking cold is the lowest, and two or three months treatment now will do more good than six months in cold and rainy weather.
